

# POWER UP — YOUR — CAREER

## Electrical Fitter

Based in the vibrant coastal town of Oamaru, our core business is bringing electricity from the national grid to over 13,000 connected customers in North Otago and parts of South Canterbury. Network Waitaki provide innovative energy solutions to our customers, as well as providing electrical construction and maintenance services across New Zealand.

We have a full-time, permanent vacancy for a qualified Electrical Fitter to join our Electrical Services team. You will undertake a wide range of electrical installation, testing, fault work and maintenance activities at all voltage levels, on and around our network and for private customers as required.

Due to the 24/7 nature of our operation, you will be requested to be available for after hours and emergency situations. On occasion, you may be required to work outside the North Otago region.

### What can Network Waitaki and Oamaru offer you?

- ✓ Varied and interesting work
- ✓ Work across the scenic Waitaki district and project work in other regions around New Zealand
- ✓ Top quality vehicles, equipment, and plant
- ✓ Be part of a great crew who are proud of what they do
- ✓ Competitive remuneration package, including health insurance
- ✓ Affordable housing and great schools
- ✓ Close to the stunning outdoors – ski fields, rivers, lakes and mountains
- ✓ A friendly and supportive community
- ✓ No traffic jams!

### We are looking for someone who:

Has a great attitude to life, is a team player and who aligns with our following Values:

- ✓ We care about our People
- ✓ We are one Team
- ✓ We love our Region
- ✓ We are Future Thinking

### How do you line up?

- ✓ Relevant electrical qualification - National Certificate in Electrical Engineering (Level 4) or assessed equivalent
- ✓ Full NZ Driver's License Class 1 required
- ✓ EWRB Practicing License (Electrician or EST) required
- ✓ 3+ years' experience as an Electrical Fitter preferred
- ✓ Good knowledge of electrical maintenance requirements of electrical distribution, switching station and zone substation assets up to and including 33kV
- ✓ Good working knowledge of relevant standards, regulations, codes of practice and Safety Manual Electrical Industry (SM-EI) parts 1 – 3
- ✓ A Team player and who is committed to safety in the workplace

**What we provide you:**

We trust our people and care about their wellbeing. We provide modern, flexible, working conditions, generous development opportunities, competitive remuneration and company health insurance.

For a position description, more information or to apply please email [careers@networkwaitaki.co.nz](mailto:careers@networkwaitaki.co.nz).

*Please note, you will need to undertake pre-employment medical and Ministry of Justice checks, you must have the legal right to work in New Zealand to be considered for this role.*
