Financial performance measures – a core objective is to operate as a successful and financially sustainable business providing an agreed return to shareholders. We will continue to monitor our performance with regular benchmarking against our peers.

The key financial performance measures are outlined in the table below including the rate of return on shareholders funds under tax:

Network Waitaki Limited			
Key Financial Performance Measures			
	<i>year ended 31 March</i>		
	<i>2027</i>	<i>2028</i>	<i>2029</i>
NPBT to Shareholder Funds	7.27%	7.81%	8.34%
Net Assets per Share	\$ 9.56	\$ 10.11	\$ 10.74
Earnings per Share before Tax	\$ 0.69	\$ 0.79	\$ 0.90
Ratio of Shareholder Funds to Total Assets	71.90%	70.46%	69.92%
Rate of Return after Tax on Shareholder Funds	5.23%	5.62%	6.00%

Health, safety and environmental measures – a core business objective is to ensure that no harm comes to our people, members of the public or the environment from our assets and operations.

Our priority is to enhance performance by maintaining a highly skilled workforce, ensuring compliance to industry standards and effectively managing our critical health and safety risks to prevent or minimise serious harm to health and wellbeing.

Our goal is to achieve zero serious harm to our people, however we acknowledge that minor workplace injuries may occur which may result in some lost time to ensure an appropriate recovery. We are committed to controlling critical safety risks to ensure that no serious or life altering injuries arise from critical risk areas, and that workplace health exposures do no result in long term harm.

We have selected the following performance measures:

	2025-26	2026-27	2027-28
Lost time incidents arising from critical safety risk areas	0	0	0
Health and Safety Management Systems	Maintain (ISO45001)	Maintain (ISO45001)	Maintain (ISO45001)
External Field Work Assessments/Audits	2	2	2
Public Safety Management System certification (NZS7901)	Maintain	Maintain	Maintain

	2025-26	2026-27	2027-28
Environmental Management	No non compliance with resource consents	No non compliance with resource consents	No non compliance with resource consents

Reliability measures – a core objective of an electricity distributor is to reliably distribute electricity to consumers. The most commonly used measures of network reliability are System Average Interruption Duration Index (SAIDI) and System Average Interruption Frequency Index (SAIFI).

	2026-27	2027-28	2028-2029
SAIDI minutes (unplanned)	55	55	55
SAIDI minutes (planned)	105	105	105
SAIDI minutes total	160	160	160
SAIFI (unplanned)	1.3	1.3	1.3
SAIFI (planned)	0.5	0.5	0.5
SAIFI total	1.8	1.8	1.8

Note that the systems used to collect reliability data are manual in nature and as such have inherent limitations, but we believe they remain the most cost-effective method available to us at present. Manual systems are widely used throughout our sector and even with their inherent limitations they are still considered suitable to give an indication of network reliability.

8. Financial Distribution

Dividend Policy

The policy on apportioning net profits distributed to the shareholders, who are the Trustees of the Waitaki Power Trust, will be determined by the directors from time to time in accordance with the yearly results and prevailing circumstances, with the objective of ensuring that the Company retains an appropriate level of earnings and funds for profitable investment in the Company's business.

The directors will include within their report on the operations of the Company (prepared after the end of each financial year) a statement recommending the maximum amount of dividend (if any) payable by the Company in respect of its equity securities.

The directors may distribute to the shareholders any financial surpluses not needed for the operation and development of the business or to ensure the security of the network in case of a disaster and to take advantage of investment opportunities.

Discount Policy

Network Waitaki Limited will budget for an annual discount that meets the requirements of the Waitaki Power Trust Deed. A Statement of Intention to Pay Discount will be published on the company website prior to the commencement of each financial year.

In setting the discounts the directors believe that the discounts will:

- will meet the requirements of the Waitaki Power Trust Deed;
- maintain the Company's line charges and associated profit level within the electricity industry requirements;
- promote consumer goodwill;
- encourage greater utilisation of Network Waitaki's electricity distribution network; and
- promote consumer perception of Network Waitaki as a corporate body which makes a positive contribution to the community.

9. Information to be provided to the Shareholders of the Company during the course of those financial years, including the information to be included in each Quarterly Report.

The directors will provide information to shareholders as required by the Companies Act 1993, the Financial Reporting Act 2013, the Energy Companies Act 1992 and New Zealand International Financial Reporting Standards.
