SPONSORSHIP
APPLICATION FORM 2024

POWERING —OUR— COMMUNITY

Network Waitaki is **100% locally owned** by the Waitaki Power Trust, and our business is about powering our community.

In addition to providing a safe, reliable and efficient network that powers homes and businesses, we are also dedicated to supporting initiatives that make a difference to our community.

'Giving back' is an ideal way for us to celebrate and assist with the wellbeing, growth and development of our region and we invite you to submit an application for sponsorship based on these principles.

Every year Network Waitaki invests in our local community through a wide range of projects, programmes or activities ranging from community health care, maintenance or upgrading of sport facilities through to the greater involvement of those with disabilities, the arts and education.

Our standard categories include:

- Education
- Community
- Health
- The Arts
- Sport and Recreation
- Science

Weston School is very grateful to the Network Waitaki Sponsorship programme for their support of our schoolwide Aquatics programme. Having all our children undertake a programme that improves their swimming confidence and capability is very important, but yet so expensive. At a time when water fatalities across our country are increasing, and in an area where water is used so much recreationally, we recognise the importance of ensuring that all children get this opportunity, and the financial support of Network Waitaki allows us to do this.

Ngā mihi nui - thank you so much.

Deidre Senior, Principal of Weston School
