

POWER UP — YOUR — CAREER

Line Mechanic Apprenticeship

Switch on your future and reach new heights in your career as an Apprentice Line Mechanic with Network Waitaki.

Based in Oamaru with a team of 85 passionate and dedicated staff, our core business is bringing electricity from the national grid to over 13,000 connected customers in North Otago and parts of South Canterbury, providing innovative energy solutions to our customers, as well as providing electrical construction and maintenance services across New Zealand.

We are part of an industry experiencing rapid changes in technology and customer expectations, and we need great people to join our Line Mechanic 'family' to be part of this exciting future.

Being a Line Mechanic is a highly skilled trade which involves the construction and maintenance of the electricity network – not only overhead lines, but also working with underground cables, transformers and switchgear.

Gaining your Line Mechanic trade qualification takes approximately 2½ years, in which you will receive a nationally recognised Level 4 Certificate as a Distribution Line Mechanic. With regular opportunities to gain further skills and qualifications, there is the potential to take your career as far as you want it to go.

The successful applicant will:

- ✓ Have a strong interest in pursuing a career in the electricity distribution industry
- ✓ Like the outdoors and not be afraid of heights
- ✓ Be physically fit and have a practical attitude
- ✓ Be a team player
- ✓ Be able to communicate effectively with good reading and writing skills
- ✓ Have a great sense of humour
- ✓ Align with the following values:
 - We care about our People
 - We are one Team
 - We love our Region
 - We are Future Thinking
