

## Project Engineer

Network Waitaki's core business is bringing electricity from the national grid to over 13,000 connected customers in North Otago and parts of South Canterbury, providing innovative energy solutions to our customers, as well as providing electrical construction and maintenance services across New Zealand.

The electricity industry is experiencing rapid changes in technology and customer expectations, and we need great people to join our team to deliver on our strategy and be part of this exciting future. We are transforming our business into a modern, customer centric service provider and are strongly committed to supporting our people and providing a flexible environment where you can succeed and grow.

This role reports to the Engineering Manager and will undertake design, project engineering and project management of allocated maintenance and capital projects. The management of safety, quality and the financial performance of allocated projects will also be a critical part of the role.

### How do you line up? We need:

- ✓ A relevant trade, technical or tertiary qualification in electricity supply, engineering or a related discipline
- ✓ 5 + years' experience based within an electricity distribution, transmission or generation business, or similar utility environment
- ✓ Previous demonstrable electrical design and project management experience
- ✓ Cost estimating and project financial management experience
- ✓ Tendering and contract management experience
- ✓ Sound understanding of the regulated electricity distribution sector and relevant rules and regulations including the Electricity Act and Safety Manual Electricity Industry
- ✓ Total commitment to safety and being an active part of a positive safety culture
- ✓ Professional communication skills, with an outgoing nature and enthusiasm to drive success
- ✓ The ability to work in pressured environments and to maintain positive relationships with stakeholders and colleagues in challenging situations.

### And we are looking for someone who:

Has a great attitude to life, is inquisitive, loves innovation, collaborative and who aligns with our values:

- ✓ We care about our People
- ✓ We are one Team
- ✓ We love our Region
- ✓ We are Future Thinking

North Otago is a fantastic place to live, with strong communities and affordable living providing an enviable lifestyle. We have good schools, and plenty of cultural, sporting and outdoors activities on our doorstep.

### The Application Process:

Candidates must legally be able to work in New Zealand. For confidential enquires and/or a position description please email [careers@networkwaitaki.co.nz](mailto:careers@networkwaitaki.co.nz).

Please apply via SEEK. Applications close 18 September 2020.
